

Providing Benefits That Matter Most to Your Employees

What is UBERDOC?

UBERDOC is a healthcare platform that connects patients to doctors for priority in-person and/or telemedicine appointments for a guaranteed price. No network restrictions, delays, or referrals needed. UBERDOC is one of the fastest expanding group of specialists dedicated to improving access and price transparency.

Offer UBERDOC as a Complement to Your Benefits Package

UBERDOC gives employees an opportunity to find a doctor in a timely manner without the hassle of insurance referrals or approvals. Offering online appointment booking 24/7 for in-person or telemedicine visits and employees can use their HSA/FSA or credit cards to pay for services. UBERDOC complements your overall benefits package.

UBERDOC is Easy To Navigate

- Employees search by specialty in the online directory at uber-docs.com
- Doctors listed by proximity and availability + employee chooses appointment that best suits their schedule
- Employee pays via their HSA/FSA or credit card
- UBERDOC is for the initial appointment with a doctor, all subsequent care can be through their insurance

UBERDOC is a Great Addition to Your Benefits Package

Employees will find that UBERDOC is:

Convenient - no phone calls, waiting, referrals or network restrictions. Scheduling a priority appointment that works for them, allowing employees to remain productive

Transparent - no monthly fee or annual membership. Transparent price. One visit. One doctor. One price. No surprise bills.

Simple - intuitive platform that is accessible from your desktop and mobile devices. Booking an online appointment is quick and easy and provides increased access to care

Employers will find that UBERDOC is:

Beneficial - invisible to insurance without violating network arrangements and gives employees more choices for prompt care from top doctors who are board-certified, vetted and must be credentialed with at least one hospital

Responsive - care plan is initiated immediately, no need for numerous appointments that can result in absenteeism

Valuable - reduced employer health insurance cost at a transparent price. Works outside of insurance and is not subject to out-of-network penalties
